

## COMMUNITY WIDE EVENT!

**Friday, July 22 and Saturday, July 23**

We hope that you will participate in any way that would benefit your business.

**For Example...** a special sale or promotion inside your store or business, merchandise you would like to clear out on the sidewalk, grilling burgers and hot dogs, refreshments, host a fun activity or game...

The more outside activity the better!

There will be a Community Garage Sale at the Richmond Community Center, Rummage and Garage Sales throughout the neighborhoods and city, MI Junktiques will host a vintage market inside & outside of their shop.

The event will be advertised through social media, newspaper, flyers & networking with the antique & vintage community. Let us know how you will participate so we can add your information to our advertising.

With your participation we can all make this a successful City Wide Event!

### Area Businesses
